PETITION TO COMMISSIONER (37 CFR 1.182)

Assistant Commissioner for Patents
Box DAC
Washington, D.C. 20231

Petitioner (hereinafter "Applicant") hereby petitions the Commissioner pursuant to 37 C.F.R. § 1.182 to restart the period for response to the Patent and Trademark Office ("PTO") Action indicated to have been mailed on January 4, 2002. A copy of the first page of the PTO action showing the mailing date is attached hereto as "Exhibit A".

This petition is being filed within two weeks of the receipt of the PTO Action at the correct correspondence address on February 11, 2003. A copy of the received correspondence, including a fax transmittal cover sheet evidencing a receipt date at the correct correspondence address of February 11, 2003, is attached hereto as "Exhibit B".

Applicant respectfully submits that, on April 29, 2002, Applicant submitted a "Power of Attorney by Assignee of Entire Interest (and Revocation of Prior Powers)" ("Power"). Applicant notes that this time period was well within the time period for response to the January 4, 2002 PTO Action. The PTO did not respond to Applicant's April 29, 2002 submission until January 15, 2003, and therein denied Applicant's submitted Power some ten months after it was filed. In response to this denial, Applicant submitted another "Power of Attorney by Assignee of Entire Interest (Revocation of Prior Powers)" on January 23, 2003. On February 5, 2003, the PTO issued an acceptance, received by Applicant on February 10, 2003, of Applicant's Revocation and Power submitted January 23, 2003. Immediately, Applicant sought to determine the status of this application by calling OPIE. Applicant was informed of the PTO Action of January 4, 2002, which action the PTO transmitted to Applicant by facsimile on February 11, 2003. It is thus this PTO Action, first received by Applicant at the correct correspondence address on February 11, 2003, for which Applicant hereby petitions to have the period for response reset.
